## LEARN. GROW. ACHIEVE

### Supports Program vs. Community Care Waiver

Our coordinators are knowledgeable in creating a person-centered individualized plan that meets the needs of the individuals and families that we serve. Whether services are assessed while living at home or in a group home setting, Champion Learning LLC will ensure that you understand all of your options. Support coordinators are available to assist you beyond regular business hours, evenings, and weekends.

### SUPPORT COORDINATION

Support Coordinators help people with intellectual and developmental disabilities access needed supports and services.

We assist individuals in acquiring self-directed services, allowing for increased freedom of choice in those services. We partner with each individual and family to provide ongoing support and guidance to increase their knowledge of the services and resources that can help enhance their quality of life.

### We offer flexible meeting schedules that meets your needs

### DDD Eligibility Requirements

To be eligible for the Supports Program, an individual must:

- Be 21 years of age or older
- Be determined eligible for DDD services
- Be determined Medicaid eligible
- Not be enrolled on any other Medicaid waiver or waiver program

### Transition Services from School to Adult Life

Transition is a formal process of long-range cooperative planning that will assist students with disabilities to successfully move from school into the adult world. High quality transition planning and services will enable students with disabilities to pursue their desired postsecondary goals.

### Residential Options

DDD strives to support individuals by providing services that allow them to live in their own homes and be a part of their community. Our support coordinators can assist in navigating you through these options.
