

# Our Goals

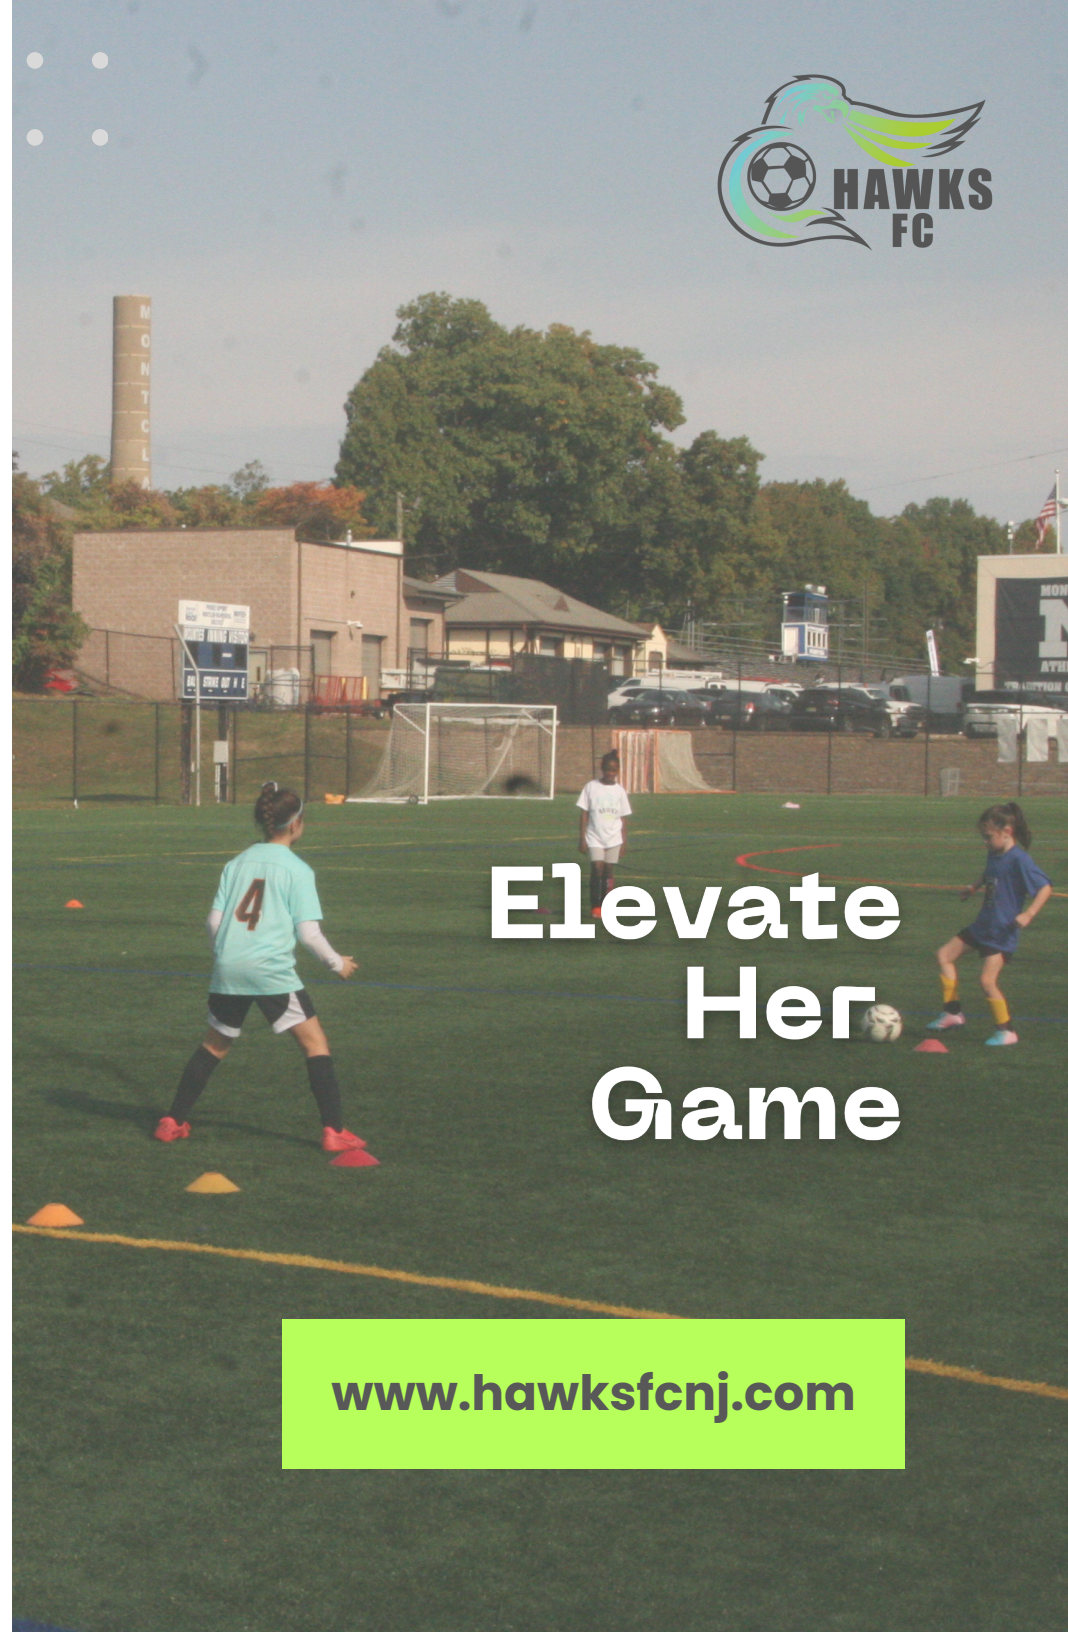

- ↳ **Build a Community** for players to feel empowered to grow on and off the field by fostering a supportive environment where they develop skills, confidence, and character. Through coaching, teamwork, and mentorship, we prepare girls to excel as athletes and make a meaningful impact beyond the game.
- ↳ **Retain Players** to decrease the statistic of girls dropping out of sports by the age of 14.
- ↳ **Affordable training** through fundraiser and sponsorships to create a space where there are no financial barriers to playing the game we love.
