# Our Values and **WORK ETHICS**

Power House Psychotherapy & Addiction, LLC, believes in provision of services without discrimination against age, color, nationality, religion, gender, sexual orientation, marital or social status. We firmly believe that everyone is entitled to necessary health care services. Our goal as an organization is to assist individual, families, and community as a whole to heal and recover from mental health and addictions challenges via therapeutic interventions. We do not believe in judging our clients but rather avail ourselves to listen and help with resolving your challenges by providing therapeutic support and tools to ensure a healthy recovery process.
