NEED TO MAKE YOUR
STUDENTS **SUCCEED!***

RESILIENT STARS PROGRAM

WHO WE ARE?

We provide life span psychological services that assess areas that could derail the academic success of Black, Brown and Indigenous students. Our programs include assessments, one on one coaching or group coaching. We also provide specialized trainings on to share our insights with teachers and parents.

WHAT WE DO?

1. Universal Psychometric Assessments on factors that could affect student success.
2. Psychological and Social Emotional Coaching Intervention- Resilient Stars Program.
3. Provide stakeholder reports to help inform data guided decision making.
4. Teacher/Parent training based our results/insights.
